

SMELL THE MAGIC

## THE TERPLANDIA MISSION

Terplandia disrupts the terpene industry by delivering 100% cannabis-derived, strain-specific live terpenes at the most competitive pricing. We help brands elevate product quality, strengthen product differentiation, and drive repeat purchase behavior-without sacrificing scale or margin.

MAGIC

## WHY CHOOSE TERPLANDIA

Our terpene extraction processing allows high-efficiency extraction from live flower while leaving all other cannabinoids intact for further processing. Our extraction equipment is used to process on-site making it possible to deliver the freshest terpenes on earth. Third party testing results for all products can be found directly on our site.

**FRESH. LIVE. POTENT**
